## 비빔밥 연습문제

### 1. Mean interviewer

Role-play with a partner. Partner A has an interview for his/her dream job, but the interviewer (partner B) is skeptical about his/her qualifications. While partner B plays the “mean” interviewer, partner A must defend him/herself, by indicating what kind of experiences he/she has (적이 있다), and by explaining what he/she knows how to do (줄 알다). Practice two or three times, trying to add a bit more each time, until the dialogue flows naturally. Then try talking about a different kind of job.

### 2. 자기소개서

**Part 1 (숙제):** Similar to résumés in the U.S., 자기소개서 are generally required when applying for a job in Korea. Using a Korean search engine (like naver.com), see if you can find any 자기소개 예시. Choose one that you think looks organized and relatively understandable, and bring a copy to class. Work with a partner or small group, and try to decipher as much of your samples as possible. Discuss with your classmates what you think the format for 자기소개서 might be, and what makes a good one.

**Part 2:** Looking at 마야의 자기소개서 from this chapter (읽기), and keeping in mind your class discussion about 자기소개서, write your own 자기소개서, to submit.
